

> YOUR ARMORY

Today's war fighter depends on an array of sophisticated equipment to accomplish the mission. Sensitive electronics, weapons, optics and communications equipment provide the modern military the ability to prevail against any enemy. By insuring the operability of such mission critical gear, Pelican Cases are a vital component of tactical planning.

From advanced portable lighting systems to high performance protective case solutions, Pelican brings you superior designs so you can focus on the mission.

Reliability in all environments and operational conditions is the trademark of Pelican Products.
