

iQ SERIES™

BULWARK iQ COMFORT SERIES™

Behind our storied patch, is a sacred pledge.
To be an FR outfit unlike any other.
A brand of no compromise.

As such, have held ourselves to a higher standard.
We've raised the bar on service, selection and
technical expertise. We have never sacrificed the
integrity of our products. We have become the best
at what we do.

Yet, today, our industry is still plagued by many of the
problems of FR's past. And whoever breaks from the
shackles of that past first, will write the future.

That's why the pledge behind our patch now
commands we take a fresh perspective. A
perspective that shifts our collective mindset from
the garment, to the wearer. A perspective focused
on solving real-world problems with insight-driven
ingenuity. A perspective free of accepted barriers.
And open to unimagined possibilities.

At Bulwark, we call this perspective, "iQ thinking." A
new approach that, when taken boldly, will raise FR's
"innovation quotient" - for all those we serve. Pushing
us collectively to a new frontier of better, smarter
protective apparel.

From this day forward, iQ thinking will be infused into
everything we do - and everything we make.

Because after 42 years of leadership, we cannot be
constrained by convention. Because the standards
of this industry should never compromise the limits
of its potential. Because the future of FR starts here.
And now.

BULWARK
NO COMPROMISE
